<b>Application Deadline:</b>	<b>Open Until Filled</b>

---

Reporting to the Area Superintendent, and the direction of the Assistant Superintendent, Academic Programs and Instruction, the Instructional Coach's primary purpose is to work in collaboration with school staff to advance student achievement through the implementation of Mathematics curricula and support programs.

### Qualifications:

- Bachelor of Education Degree
- Valid Manitoba Teaching Certificate (or eligibility for)
- Minimum of five years relevant classroom experience with a preference to a broad range of early and middle years' experience, with a focus on mathematics instruction
- Demonstrated knowledge of Provincial Mathematics curricular outcomes, instructional strategies, resources and assessment
- Proven Mathematics implementation skills
- Demonstrated effective interpersonal and communication skills
- Demonstrated experience in facilitation and organization of professional learning opportunities
- Ability to work cooperatively and collaboratively with administrators, teachers and other consultants to promote school planning and student achievement
- Understanding Indigenous Way of Life
- Demonstrated commitment to ongoing professional learning
- Valid Manitoba Driver's License and ability to travel

### Duties and Responsibilities:

- Provide guidance and support to teachers to enhance school/classroom implementation of provincial Mathematics curriculum and programming to meet the student needs including divisional and provincial policy and regulations
- Participate in the development and implementation of the Division's strategic plan and school plans in Mathematics
- Perform in a collaborative capacity with administrators, teachers and other school personnel to provide leadership and guidance in the development and implementation of instructional strategies and resources to support Mathematics programming
- Develop and lead professional learning initiatives in the area of Mathematics
- Assist teachers with individual and/or classroom lesson planning
- Promote student achievement by encouraging professional dialogue
- Integrate Indigenous perspectives into curriculum and programming
- Other related responsibilities as assigned.

### How to Apply:

1. Applicants are required to submit a:
  - i. cover letter
  - ii. current resume
  - iii. list of three professional references including contact numbers, all of whom must have knowledge of the applicant's performance in the applicant's current or recent assignment
2. Register with **Teacher Match** and complete the EPI Assessment by [clicking here](#). Teachers currently employed by the Division under a permanent general contract are not required to complete the EPI Assessment.

*All applicants are thanked for their interest; however, only applicants selected for an interview will be contacted. By applying, you are consenting that the Division may contact your references. The successful candidate will be required to submit a clear Criminal Record Check (including Vulnerable Sector Search) and Child Abuse Registry Check, at their own expense, as a condition of employment. Further information is available at [www.frontiersd.mb.ca](http://www.frontiersd.mb.ca)*
