

NORTHERN LIBRARY TALK

VOLUME 8, ISSUE 1

SEPTEMBER 2010

WE MOVED!

The Division Office has moved to our new building. It was a crazy few months, but we here at Library Services are settling down in our new home.

GOING PAPERLESS

In an effort to use less paper, all future newsletters will be sent via e-mail in addition to being posted on our web page. To view the newsletter on our web page, please visit: <http://www.frontiersd.mb.ca/progs/library> and click on the “Northern Library Talk” link on the left side of the web page.

MARC RECORDS ON THE eBOARD

If you have forgotten or would like to change your password for accessing your marc records, please call Samantha (258-2711) or Kristy (258-2709) and we can make the changes for you.

Ensure that you update your note on the eBoard each time to let us know that you have received your books and have imported your marc records into Library World.

This helps us to keep your note updated and helps to keep our space usage on the eBoard at a minimum.

Remember, do not import your records until after you have received your books.

CONGRATULATIONS!

I've included a copy of an article written by Deborah Falk, Author and Library Specialist at Duck Bay School, about her book tour in Ontario. Deborah's book, **The Rabbit's Race**, was a *Runner Up Title* in the *First Nations Communities Read 2010 Award Program*.

INSERVICE

This year, our inservice will be held in the spring. Colleen will be sending details closer to the date.

CURRICULUM GUIDES

We have added links to the Manitoba Curriculums in our online catalogue. To view our online catalogue, visit: <http://www.frontiersd.mb.ca/progs/library> and click on the "Catalogue" link on the left. Search for the keywords "curriculum guide" and the records will appear.

PHOTOCOPIES

When sending in photocopies, please ensure that each page is stamped with your school name. We are still receiving photocopies that are not stamped and cannot catalogue them if we don't know which school they are for.

FREE!

To the **first** person to contact us, we have a three-tiered "Just-a-fold" dust jacket dispenser. It comes complete with three rolls (10", 12" and 14").
