

SMOKING ON SCHOOL DIVISION PROPERTY – EMPLOYEES AND USER GROUPS

The health and wellness of students and staff is a priority in Frontier School Division. In addition, staff and other adults are role models who encourage students to develop healthy practices. Therefore, there shall be no smoking or use of electronic smoking products by staff and user groups at any time on Frontier School Division property. Property includes all school buildings, grounds, parking lots and Division vehicles.

This policy does not cover smoking in Divisional housing.

All individuals/user groups using Division property are required to comply with this policy. Individuals/user groups using Division property who disregard this policy will be informed their use privileges will be lost should a second violation occur. The second violation will result in that individual/group losing privileges for the remainder of the school year.

At the discretion of the school committee and school administration, individual/groups using Division property may be required to provide a clean air deposit prior to using Division property.
